

Suggested Use: As a dietary supplement for children ages 2-3, take one (1) soft chew daily, preferably with a meal. For children ages 4 and above, take one to two (1-2) soft chews daily, preferably with a meal, or use as directed by your child's primary healthcare provider.

Dr. Sears Says... In addition to eating a healthy diet, Little Champions natural fruit-based multivitamin and mineral soft chews help ensure your children receive the essential vitamins and minerals they need every day for proper growth, development, and immune system support.

Parents, at last a great-tasting children's multivitamin and mineral supplement every child will love to take, and every parent will feel good about giving them. Each Little Champions soft chew is bursting with natural sour berry flavor, filled with natural fruit goodness, and perfectly balanced with just the right levels of essential vitamins and minerals every growing child needs.

Little Champions natural fruit-based multivitamin and mineral soft chews are pediatrician designed, kid approved and trusted by parents everywhere.
